

# **Chapter 1019 – 1024 of Punished by His Love Novel**

## **Chapter 1019**

She was still waiting for Galia and Rayna to arrive to discuss Suzi's affairs.

Galia and Rayna came soon and came to the villa where Dalia and Kraig lived. Although the environment here is beautiful, Galia and Rayna did not have time. Appreciate it.

When the two entered the living room, they talked to Dalia about Jarod's request for Suzi.

Dalia's face turned pale in anger.

“Sister Shan, what do you say about this? We are Suzi’s friends, and we can’t watch Suzi being bullied.” Galia cried and blushed.

When she didn’t see Suzi’s appearance, Galia was not so sad. Seeing Suzi lying in bed without breaking down, Galia gritted her teeth with hatred.

Dalia sighed: “...”

What to do?

Dujuan Mountain doesn’t know either.

She and Galia, and Rayna, including Suzi, are all kind women in their bones.

The so-called gathering of objects and people into groups is this principle.

Especially Dalia, she has never calculated others, others have always calculated her. Later, after Kraig rescued Dalia, Dalia was under the protection of Kraig, living a simple and leisurely life.

Suddenly, it was really difficult for the three women to think of a bad move.

However, Rayna came out of the small market, and her parents were so unreasonable. Rayna also splashed since she was a child. Before she met Suzi, she did a lot of harm.

“I...I have an idea, I don't know if it is appropriate or not,” Rayna said.

Galia Xiaojiao immediately screamed, “Speak quickly! As long as you can kill the Lin family!”

Dalia grabbed Galia and asked her to sit down: “Don't die, die, we have to pay for her death, right?”

“This way I don't have to pay for our lives.” Min Qing said with a smile.

Galia: “Rayna, speak up!”

Rayna said confidently: “Suzi was pissed off by the Lin family this time, and it was because she was angry and sad that she almost broke down. Then why can't we punish the Lin family to death?”

Galia and Dalia's eyes lit up at the same time.

Galia couldn't help but said, "Xiao Rayna, I didn't see it, you are quite resourceful!"

Rayna raised her proud little chin, and continued: "Lanita still has one month to live. With her grandfather's ability, she wants to find the source of her kidney within one month, maybe she will be able to find it. , What if she comes alive again?"

Galia said coldly: "This kind of woman is a sc\*m to let her live! We must not let her have a chance to live!"

"So, we have to kill Lanita first."

"Quickly talk about your method, it's best to get her to death tomorrow!" Galia said impatiently.

Rayna whispered to Galia and Dalia's ears for several minutes.

After the muttering, Du Huanshan was stunned.

But Galia jumped up happily: "This idea is really great, ah ha ha ha..."

Dalia: "Is this... appropriate?"

Galia clapped her hands: "Appropriate!"

Dalia immediately smiled and said, "Okay, the three of us will go together. There are so many people and powerful!"

"Yeah!" Rayna and Galia nodded at the same time.

Three women, maybe they can also do very earth-shattering things!

This afternoon, the three women secretly planned for a long time. In the middle of the afternoon, Dalia drove the two girls out to buy.

Come back late at night.

When he got home, Kraig had already returned.

He was sitting on the sofa. He looked at Dalia with a gentle look today: "What did you do? I came back so late. Have you eaten?"

Dalia smiled and said: “After eating, Rayna and I are our nephew and his wife, and their friend Galia. The three of us ate together.”

After a pause, Dalia asked Kraig: “Have you heard that the Lin family is going to dig Suzi’s kidney?”

## Chapter 1020

Kraig nodded: “In Arron’s company today, I was talking about this.”

Dalia asked: “What are you going to do? I think this old man Shu, everyone says he is upright, but why did he bully Suzi?”

Kraig: “...”

He seems to have something to say to Dalia.

But seeing Dalia’s full attention on Suzi, Kraig didn’t speak any more.

“Kraig!” Dalia shouted.

Kraig: "Huh?"

"Have you and Arron figured out how to deal with the Lin family! They are bullying Suzi!" Dalia is rarely strong in front of Kraig.

Kraig hugged her in his arms: "Do you care about Suzi?"

Dalia: "She is my friend!"

Kraig smiled and said, "How many days did you know her?"

"Friends don't care about the length of time, but friends are rare." Dalia said.

After a pause, she said: "Although I have known Suzi for a short time, Suzi cares about me very much. Even Suzi's daughter treats me very well. This time I went to Jiaying Island and brought me a special trip. Gifts back..."

Halfway through the conversation, Dalia paused.

The only gift for Dalia Dalia liked it very much.

I like it very much.

I like it because Suzi and Lilly can know what she thinks.

However, this gift symbolizes that she wants a child of her own, and it is impossible for Kraig to give her a child.

Therefore, Dalia paused halfway through what he said.

She paused for a while and then said: "Although I knew Suzi for a short time, I was attracted by her integrity the first time I saw her. Later, when I saw her again, she gave me the impression of being independent and making friends in a lifetime. Once, I naturally cared about her."

Seeing Dalia taking a mouthful of Suzi, Kraig said: "Today I went to Arron's company to discuss this matter."

"What happened later? How to say?" Dalia asked.

Kraig pinched his eyebrows: "If they were replaced by anyone, their lives might have been gone, but it would be difficult to do this because Mr. Shu stood in there."

“Master Shu is hateful!” Dalia said angrily.

“My suggestion to Arron is to let Arron send Suzi and her children abroad for the first half of the year. After half a year, Lanita will either die, or even if she has a kidney transplant, it is impossible for Suzi to belong.”

Dalia raised her head to look at Kraig: “If Lanita finds the source of her kidney, will she still find fault with Suzi from time to time in the future?”

Kraig: “It’s possible.”

“No!” Dalia said.

Kraig: “There is no way, but now I can only hope that Elder Shu will die soon.”

Dalia: “...”

Originally, I was thinking that Kraig could bring good news back when he came back. If this were the case, the plan she had with Galia and Rayna might not be used.

However, Dalia also knew that as long as Mr. Shu was there, it would be difficult for Kraig and Arron to attack the Lin family.

If it was before, it would be better to say something. But now, everyone knows that Mr. Shu is so kind to Arron.

So Kraig is right. The best way is to send Suzi to live abroad for half a year.

It's just that, it is possible that Lanita still can't die.

Thinking about this, Dalia thought it was better for the three little women.

Although it is a bit rough, it can be hit with one hit.

Anyway, the three of them are little women, and they don't have much face.

His father Shu was as kind to Arron as a mountain, but he was not as kind as a mountain to their three little women.

This matter was good, Dalia relaxed, and then she thought about the female courier during the day.

“Oh, by the way Kraig...” Dalia broke free from Kraig’s arms. Just as she was about to say something to him, her lips were blocked by Kraig.

## Chapter 1021

The man held her tightly in his arms and kissed her fiercely for a long time.

Later, Dalia limp directly in Kraig’s arms.

Seeing that she didn’t even have the strength to resist, the man said in a low tone, “Little woman! You didn’t talk about it when you came back late today. When you came back, you were talking about other people, why? You just pretend to be someone else in your heart. Don’t you even plan to ask for your own man?”

Dalia was amused: “What do you say, I have business...”

She didn’t finish her words, and her lips were blocked by the man again.

This time, the man did not let her go, but directly carried her upstairs, hugging her while kissing her.

There has been no room to speak to her.

Dalia just wanted to tell him that she received an international courier document today.

But until she fell asleep, she couldn’t say this.

This night, the man is like a wolf.

It was not until early the next morning that Dalia woke up from a deep sleep.

The pain in her whole body told her how violent the man's behavior was last night.

It's as if he didn't want her this year, and as if he had slept this time, and he won't want it in the future, so he wanted the same this time.

Lying on the bed, Dalia couldn't help but laugh, lazily vomiting: "What a bad man, I hate it."

As soon as she finished speaking, the phone rang.

Pick it up and connect: "Hello?"

"Sister Shan, are you ready to leave? Rayna and I are ready..."

Gosh!

Dalia sat up immediately.

Yesterday, Yan YanRayna and Yan YanRayna agreed to act according to the plan today, but she...

Last night, she was so tired and drowsy that she didn't know what time she slept. She just checked the phone time, and it was already more than 8 o'clock in the morning.

"Now, wait for me for half an hour!" Dalia said quickly.

If you speak, hang up immediately.

Half an hour!

Half an hour!

Too Dalia lifted the quilt and got up, only to realize that it was difficult for her to get out of bed.

Pain all over.

It hurts like being crushed by Shi Gong.

Even so, she still had to endure the pain, hurriedly brushing her teeth and washing her face, changing clothes, before putting on makeup, or even combing her hair. Dalia saw that ten minutes had passed, she grabbed her bag and went out.

After getting in the car, she called Kraig: "Kraig, where have you been?"

"I have something outside." On the other end, Kraig answered very neatly.

"Well, good I know Kraig, I'll go out too." Dalia said.

After a brief conversation between the two people, Dalia hung up the phone, went out to the place the three had agreed upon, loaded things up, and the three drove to the hospital where Lanita was.

At this time, in the hospital, the doctor had just completed the rounds.

Lanita was lying on the hospital bed without a trace of blood.

Next to her stood her parents, grandfather, and Darius and Darius's parents.

All relatives are here.

When the grandfather's family was present, Lanita would forcibly endure the fear of death in her heart. On the surface, she pretended to be very sensible: "Grandpa, uncle and aunt, you don't need to look at me here anymore, and you don't have to ask Suzi for me. Kidney, I would rather die..."

Without finishing a sentence, three women suddenly came in at the door of the ward.

“Since you are going to die, the three of us will hold a memorial meeting for you in advance, right?” Rayna at the door said with a grin.

## Chapter 1022

“You!” After Lanita, who was lying on the hospital bed, saw the three of them clearly, she immediately sat up from the hospital bed.

Jarod, Moira, Elder Shu, Darius and his parents were also taken aback.

“Rayna...” Darius’s mother immediately shouted, “What are you doing here? Did you come to see your cousin Lanita?”

Rayna sneered: “I’m sorry my dear aunt, I came today to hold a memorial service for Lanita in advance, to mourn her death in advance.”

The audience: “...”

Lanita: “Ah...you three, die for me! Die! I want you to die now, grandpa, you send your men to kill me three dead women, ooh Woo...”

Lanita, who was already afraid of death, was trembling all over when Rayna said this.

Elder Shu stammered for a long time: “You, you... are you all instigated by Suzi?”

Jarod also roared: “Where are the three crazy women! They came to the hospital to make trouble, get out! Get out of here!”

Moira picked up the phone and smashed it at Galia, Rayna and Dalia.

The three of them all avoided.

Dalia doesn't know how to make trouble and scold the streets. She came here today to join in the field, and she really can't understand the Lin family's repeated bullying of Suzi.

However, Galia and Rayna are not easy to provoke.

Especially Rayna.

She really gave full play to the specialties of her little shrew in the market.

“Lanita! I heard that there are toxins in your blood. It is because of the toxins in your blood that your Suzi detox work is overloaded and you have uremia? Ahahaha! Do you know why?”

Without waiting for Lanita's refutation, Rayna began to curse: “Because you have done too much evil, you are a radioactive toxin body. Now that you can't finish the emission of toxins, you will all greet yourself. It's so fun.”

“Lanita, I can't wait to see if your skin will be covered with toxins in the end, um, covered with lupus.”

“Rayna!” Lanita gritted her teeth with tears on her hateful face.

“Hey, Lanita, did you tell you that your body is covered with lupus now? Oh, I guess why you are so accurate, oops, in this case, you may not survive even a month. Take a look. , It's better for us to treat you well.”

“Let her go and beat her out...” Lanita roared.

At this moment, Darius did not move.

Because he was happy in his heart.

And Darius's parents would never beat Rayna, after all, Rayna was their niece.

At this moment, Moira was holding Lanita who was crying and roaring, and Lanita's nostrils were bleeding out. Moira also went crazy and cried: "Doctor, call a doctor!"

It's a pity

This time is short, just after the doctor's round.

There is a rule in the hospital that after a round of the ward, it is time to go back to have a regular meeting to see the condition of each patient, and there is not even a nurse.

When Yan Yan Rayna Dalia came here, they were stuck in this time period.

What's more, this is the VIP ward.

The biggest advantage of the VIP ward is that it is secluded and no one bothers.

In this way, it is more suitable for three people to pretend here.

Therefore, Lanita shouted for a long time, bleeding out of the nostrils he shouted, but he did not call anyone.

Only Jarod wanted to beat three people out in desperation, but was blocked by Galia.

Galia crouched before Jarod: "You old man, why, you still can't be beaten by men? You beat your daughter to abuse your daughter. You have a habit of abuse. Do you want to abuse even outsiders? I yeah! "

Galia could not stop Jarod alone.

This is not, there is Dalia behind.

## Chapter 1023

Dalia is not as good at cursing as Galia and Rayna, but she can block Jarod with Galia. Since then, Jarod would not be able to rush to beat Rayna.

For a while, the doorway in this ward was extremely lively.

“Lanita, you are optimistic. This bunch of flowers cost us thousands of dollars. This bunch of flowers looks like a bunch of flowers. Actually, if you look carefully, what is written on it, you see: Keep your youth forever. “

Lanita: “Ah...boil...”

At this time she had nothing but to cry wildly.

Rayna took another small notebook: “Here is this for you. This is the Eternal Youth Rest Garden. Here are young people. We are all friends of Suzi. You are also Suzi’s half-sister. , So we are here to help you, eh, do you like Chaoyin or Chaoyang?”

Lanita: “Puff...”

A mouthful of old blood came out.

Lanita fainted suddenly.

Rayna, Galia, and Dalia glanced at each other, and they immediately slipped away.

The goal has been achieved, it must have slipped away!

The three of them go to jail together.

If you go to jail, you just go to jail. Anyway, Lanita is a D\*mn person, and they didn't do anything, just sent a bunch of flowers.

The three of them turned and walked out for two steps, and suddenly screamed behind them: "Stop!"

The three people looked back at the same time.

Galia stood in the middle and said, "Master Shu! It is Fourth Master Fu who owes you the favor, not us! Your order will not have any effect on us!"

"Don't you want to marry Darius?" Elder Shu asked again.

"Who do I want to marry need you to ask? I won't marry you!" Little Chili is Xiao Chili, and Galia is not afraid of it. Elder Shu was angry: "You..."

Galia sneered: "..."

"Okay, okay, very good!" Elder Shu also sneered again and again.

After a pause, he asked, "The three of you are all here to show off Suzi, right, Rayna?"

Rayna didn't give Mr. Shu any face: "Old man! It's the fake me who has been favored by your family. Rayna has never received the slightest favor from your Shu family. You don't have to question me like that."

Elder Shu: "..."

Rayna continued: "I am Suzi's friend! I will not let anyone bully my friend!"

Elder Shu looked at Dalia again.

He didn't know that Dalia was Kraig's confidante. At this moment, in Kraig's eyes, Dalia was wearing ordinary clothes with a plain face, as if there were some swollen eye vesicles, and the whole body did not wake up like a middle-aged woman.

Elder Shu blurted out: "Are you also the helper Suzi got?"

Dalia nodded: "Old sir, I have to say that what you Shu and Lin did to Suzi is really too much."

Elder Shu sneered: "Surely people are divided into groups and things are gathered together. Just like you, a woman, even if you don't say what you do, I can probably guess a lot of things."

Dalia: "What do you mean?"

Elder Shu did not answer Dalia. Instead, he said: "There is something you all know, right?"

The three asked together: "What's the matter!"

"Lanita, she is Suzi's half-sister, do you know?" Elder Shu asked intentionally.

The three of them said funny at the same time: "Because it is my younger sister, do I have to donate the kidney to her?"

With words, Galia said, "It's because Lanita is Suzi's own sister, that's why she didn't save her!"

"Very good!" Elder Shu said suddenly.

## Chapter 1024

Rayna sneered: "Of course it's all right!"

Elder Shu's smile was calm: "As long as you admit that Lanita and Suzi are sisters."

These words made the three people confused for a while.

"You go back." Elder Shu said: "I have no other skills, old man Shu. I can guarantee that the three of you will not go to jail for making trouble. I can still do it. You are all young people. I don't blame you. You go back. Right."

When he said this, Galia, Rayna, and Du Huanshan were stunned.

Galia sneered: "If you don't say we have to go back, let's go!"

As soon as the words were bound, the three left.

In the ward, Lanita's emotional instability caused Lanita's condition to deteriorate more than just crying wildly.

She kept bleeding in her nostrils.

Moira screamed: "Doctor, come and save my daughter!"

Jarod also cursed frantically: "If my daughter is dead, I will let some of you be buried with you!"

Lanita has fainted.

In an instant, several doctors rushed over.

They hurriedly pushed Lanita to the rescue room, and everyone followed.

Four or five doctors, after dozens of minutes of busy work, finally rescued Lanita's life style and stabilized her.

The doctor came out exhausted and exhausted: "Fortunately, our hospital has the best medicine that Mr. Shu you transferred from the hospital in Kyoto, otherwise your granddaughter will really be killed on the spot this time."

Elder Shu immediately let out a sigh of relief: "Thank you..."

The doctor kindly said to Mr. Shu: "Ms. Lin's illness has worsened drastically after such a toss. Let her be matched as soon as possible. Also, in the future, no one should be allowed to harass her and affect her condition." After a pause, the doctor looked at Father Shu in confusion: "Master, in this case, you can sue those women! They will go to jail like this!"

Elder Shu shook his head: "Now, saving my granddaughter's life is the most recent. She will not be in danger now, will she?"

The doctor nodded: "This time it is a rescue."

Elder Shu nodded: "Thanks for your hard work."

Saying yes, he came to the opposite of Lanita's ward and shouted at the door: "Come out."

A young man with a Danfan camera came out from the opposite ward.

"Did you see all the three women just now?" Elder Shu said.

The young man nodded: "I recorded it all."

Elder Shu looked back at Moira, who was crying and sobbing: "Since Lanita is rescued back, don't cry for now. It's a matter of discussing the match now!"

Moira gritted her teeth and said: "I want Suzi two kidneys! Two! I want Suzi to die!"

Elder Shu also sneered: "Suzi came up with such a method! It's so D\*mn! It doesn't take much for her to have two kidneys!"

"Grandpa!" Darius behind him suddenly shouted angrily.

Elder Shu looked back at Darius: "Darius! What's wrong with you? Your cousin is lying on the hospital bed and her life is hanging by a thread. Why don't you feel distressed at all?"

"Grandpa! Your granddaughter's fate is fate, but Suzi's fate is not?" Darius asked.

Elder Shu lifted up his slap and slapped Darius on the face: "You are a shame! At this time you are still facing Suzi, how on earth are you bewitched by her?"

Darius calmly said: "Suzi has never confuse me!"

"Did you see it with your own eyes? She asked her three female friends to make trouble! These three women, including Rayna, let you tell yourself what their qualities are! Deal with a patient like this!" The questioning voice was extremely loud.

For a while, Darius had nothing to say.
