Read [Chapter 1173 – 1174](#) of the Novel **Punished by His Love**.

## Chapter 1173

He has nothing to say.

At this moment, he only muttered to himself: “The whole mountain has been searched, and there is no sign of her. She said that she was on the mountain and she must have lied to me!”

Suzi sneered: “Sister Shan will not deceive. She said she is on the mountain. She must be on the mountain. She just heard that you were looking for her, so she decided to move away immediately.”

Kraig: “...”

Before he knew it, his throat choked.

There is a feeling of despair in my heart.

This is a feeling Kraig didn't expect.

He always believed that he and Dalia had no feelings, let alone love.

There is only a tacit cooperation between them. Dalia himself also said that when one day, when his real girlfriend returns, she will disappear automatically.

Now, his real girlfriend is back, and she has really disappeared.

But life is all messed up.

He Kraig is also going crazy.

At this moment, someone called Kraig. Kraig thought that someone sent out to look for Dalia had news, so she immediately connected: "Hello?"

On the other end of the phone, it turned out to be his father who rarely interferes with his personal affairs. Mr. Jun called: "Kraig! What do you want to do!"

Kraig's voice immediately became extremely decadent: "What's the matter with you!"

At that end, Master Jun said angrily: "You are too shameless! You were with the guy named Dalia before, and the family didn't oppose you, right? Someone did not treat her badly, you didn't have a good life. You divided it up with her, and you said you have to live your life!"

"But now, what about your intentions? You broke up with Elma again. You are in your 30s. You have lost all of the Jun family!"

Kraig: "Either I will die."

“You will return to Kyoto immediately!” The old man ordered.

Kraig: “What’s the matter.”

“Come back and marry Elma! That’s what I said! I’m in charge of your marriage with Elma!” The old man seldom takes charge of his son’s affairs.

Especially this little son.

He has surpassed him as a father at a young age, and is now a symbol of Kyoto rights.

Therefore, Mr. Jun turns one eye and closes one eye for everything. He is like a wild crane and doesn’t ask about world affairs.

But this time, he insisted on doing the wedding of the lord Kraig and Elma.

Kraig gave a decadent sneer, and hung up the phone without answering the old man.

At that end, the old man almost vomited blood.

He turned his head and said to Elma’s parents: “Old colleague, old comrade-in-arms! Don’t worry, my son has always respected our old couple, so this time we will definitely support Elma!”

Elma’s parents were relieved as soon as Mr. Jun said these words.

My daughter has been going crazy outside for so many years, and as parents they often worry about it.

They didn’t think about it for a moment, and asked their daughter to come back and quickly marry Kraig.

So at this moment, they can get the personal promise of Mr. Jun, and their hearts will be let go.

After coming out of Jun's house, Elma's father called Elma: "Elma, don't worry, your uncle Jun has promised your marriage to Kraig. You, you can't be so self-willed, you want more. Just coax Kraig, just ask him to order?"

On that end, Elma asked with great surprise: "Uncle Jun really decides the marriage between me and Kraig?"

That's great!

After closing the thread, Elma's frustrated heart returned.

She dialed another set of numbers non-stop: "Hey...is this Shu's family?"

## Chapter 1174

At that end, Darius's tone was very puzzled: "Who are you?"

Elma said: "I'm Grandpa Shu's friend, how about the handling of the affairs of Grandpa?"

For a while, Elma was busy with the ink marks with Kraig, and because she went to the top of the mountain to deal with Dalia twice in a row, although she was in Nancheng, she did not pay much attention to Mr. Shu's affairs.

Until now, Elma still remembers that when Siu called her back, he told her that there was a stinky force in Nancheng, and she needed to work with her Elma and Elder Shu to get rid of this stinky force.

Now, I don't know what's going on with Mr. Shu?

She didn't answer Siu's phone.

This group of people!

Elma called her back, but they were all persuaded one by one.

Do people all over the world know that Elma was dumped by Kraig?

With the support and approval of Mr. Jun, Kraig wanted to shake Elma. It was not so easy!

On that end, Darius asked in an extremely bad tone: "Who are you anyway?"

"I am Kyoto Kraig's fiancée!" Elma also said very arrogantly.

Kraig's fiancée?

During this period of time, my sister-in-law did not want to recognize her grandfather and caused her grandfather to suffer a serious illness. Darius and his parents both took care of grandfather in front of his grandfather's sickbed, so he didn't know what happened to Kraig.

Darius only knew that his grandfather and Jun's family had contacts, but his grandfather only had more contacts with another branch of the Jun's family, Jun Chengyin.

As for Kraig's father, Jun Chenglin, he basically doesn't care about world affairs, so Mr. Shu doesn't have much contact with Jun Chenglin.

However, Darius knew that Kraig and Arron had a very strong relationship, and they were not brothers but brothers.

And Darius himself also partnered with Kraig's nephew Lenny in Nancheng Kaile Construction Company, so when the other party mentioned that it was Kraig's fiancée, Darius hesitated.

His tone softened: "I'm sorry, the reason why my grandfather didn't see you is because he was sick recently, and he is still lying in the hospital bed until now. What do you do is the same as I said."

"Tell you?" Elma asked.

Darius smiled gently: "Why, don't you want to tell me?"

Elma: "..."

She has been out for nearly ten years. She doesn't know these younger generations very much, but Elma has also heard that the family style of the Shu family is very strict, and the sons of the Shu family are very filial. For the elderly.

Elma immediately said: "Okay! I want to tell you in person!"

"Are you in a hurry?" Darius asked.

Originally, Elma wanted to say that he was very anxious.

After thinking about it, she felt that she could not rush, she must have her own style!

She said: "Don't worry! I have time at any time. You can take your time anytime."

Only then did Darius say: "Well, tomorrow afternoon I will go to my little aunt's garden to experience life, so come on."

For a gathering in my little aunt's garden, Darius and Galia, Lenny, Rayna, and Suzi had an appointment. It was Suzi who had been soothing his mother for a long time before she agreed.

Elma asked, "Are they all your friends?"

Darius smiled politely: "They are all my best friends!"

"It's great, I just want to see you too, maybe it can be used for me!" Elma said proudly.

She wants to maintain her very proud posture.

Even at the home in Kyoto, the line of Jun Chengyin can only nod and bow in front of Elma.

Who made her Elma the favorite of Kraig.

Kraig!

Elma still must catch Kraig!

After closing the thread, Elma felt better.

Now, she has the support of Mr. Jingjing and her parents, and in Nancheng, there are also Mr. Shu and Mr. Shu's grandson to support her. She doesn't believe it anymore. She can't beat the remnants of playing with Dalia?

Isn't it Suzi?

Isn't it Suzi?

## Chapter 1175

Listening to Siu's words, Duoduo is a good thing to climb on the bed.

Siu called her from abroad, and the first purpose was to unite her to deal with Suzi.

Suzi!

This D\*mn woman!

The first visit was indiscriminate, so her two attendants and her biological daughter swollen her nose with Elma.

It was precisely because she was beaten to make her ugly that Kraig looked down on her.

Now that her chances of winning are still great, she wants to remove all the remnants of Dalia's side!

Elma has great ambitions.

She also took action by herself.

After hanging up the phone with Darius, Elma went to find a place for beauty treatment.

If you are willing to spend money, the effect is naturally good.

After coming out of the health club, Elma saw that her face was really a shelled egg, she didn't believe it. Kraig, who loved her so much, would not be moved by her face.

Taking out his cell phone, Elma called Kraig.

At that end, Kraig had just been sent back to the leisure villa in the light rain halfway up the mountain by Arron.

Arron sat in Kraig's study and helped Kraig handle important military affairs.

And Kraig, who was drinking and drinking, was lying in his big bedroom and clamoring for a drink.

The domestic helper did not give it to him at Arron's order.

At this moment, Kraig's cell phone rang.

He picked it up and connected: "Hey, how are people looking for? Is there any news? If there is no news, don't give me back!"

On that end, a voice that was extremely enchanting and tender: "Kraig is me, Elma."

Kraig: "..."

Although he was drunk, Kraig was not drunk and unconscious. His tone was immediately and particularly alienated: "What's the matter! Is it because the money is not enough? I can give it to you. You can say how much you want. "

"Kraig!" In Elma's soft and watery tone, there was a little bit of tears: "You hate me so much, so you send me out in such a hurry?"

Kraig: "..."

I really don't bother to deal with the woman on the other end of the phone.

For so many years, he always thought he still loved her.

However, what he didn't know was that all he loved was an obsession that he didn't get in the past.

Because I loved too much, gave too much, but never got it, so the obsession was very deep, very deep.

Until, a month ago, this woman who suddenly did not fly, appeared in front of him, Kraig, so he thought he finally got love.

Finally got what he wanted.

However, when he didn't expect it, the moment Elma returned to him, his obsession was also shattered.

He doesn't love her anymore.

Maybe I didn't love it a long time ago.

His heart had long been occupied by the emperor-like woman who had no knowledge of the world and had no lethal power.

Elma could no longer tolerate Elma in his heart.

"I'll hang up if it's okay!" Kraig said impatiently.

As soon as he spoke, he hung up the phone.

On that end, Elma became more and more anxious: “Kraig, listen to me, I am beautiful today, and I am really beautiful again. You will know when you see me, maybe you will think when you see me. Pounced on me, Kraig, why are you hanging up...”

Elma dropped the phone in despair.

She squatted on the ground crying.

A man walked up ahead and said with a sneer: “Woman, you change men faster than you change clothes.”

## Chapter 1176

Elma, who was crying, looked up and saw the man named Pan Haoyang.

The man in suit and leather shoes, his identity is cold.

He looked unruly and rebellious, but his tone was so feminine: “Woman, you are not so bad!”

Elma: “You... why are you here?”

Pan Haoyang said in an extremely disgusting tone: “If I knew you were here, I wouldn’t come! Because I would never want to see a disgusting woman like you! I tell you, you better not conceive me! If you are pregnant , You will kill me, if you don’t kill and want to rely on me, then you will wait for a dead body and two lives!”

Elma: “What the hell are you...”

“Bang!” The man kicked her far away.

After kicking, turn around and leave.

Elma: "..."

After walking outside for so many years, it was the first time that she saw such a arrogant man!

She almost vomited blood!

The beauty and body she had just done was kicked by a man, and her stomach hurts for a long time and can't get up.

I touched my face, but fortunately there was no damage to his face. Elma got up crookedly and ran out: "You stop me!"

Outside the clubhouse, where is Pan Haoyang's figure?

At this time, Pan Haoyang had already drove away.

Since stepping into this land, Pan Haoyang hasn't stopped.

Moreover, he did not intend to leave the city alive.

Calculated like this, in this city, there are at least two of his close relatives.

Brother twins.

And the one he has never seen before, the beast father.

Pan Haoyang thought about Fu Zhengxiong's appearance while driving.

He is not familiar with the route.

So he drove very slowly all the way, and when he drove to the door of Fu's old house, he waited for a long time outside the door.

It wasn't until the sky was getting dark that Pan Haoyang saw a half-elderly couple, followed by a woman, and the three of them got out of the car and entered the old house.

Pan Haoyang couldn't see what the old man's face looked like.

It can be seen that the old man is quite tall and slender.

No wonder, I can confuse my mother when I was young!

Mother!

Where is mother now?

Already asleep in the ground?

That struggling woman.

Pan Haoyang didn't blame her. He knew that she must be desperate, and he must be afraid that he would be brutally killed, so he chose to put him on Jiaxing Island.

Mother's purpose is to save his life.

Pan Haoyang didn't complain about his mother.

However, he must let this sixty-year-old immortal named Fu Zhengxiong pay his debts!

Pan Haoyang drove quietly and left here again.

This night, no one knew how he came here.

Lying on the bed in the hotel, Pan Haoyang had Suzi in his mind.

And that little thing.

In this way, it is not unfounded that he likes the six-year-old Lilly.

After all, that child is also related to himself.

Are their mother and daughter okay?

Pan Haoyang didn't know.
