

Chapter 1261 – 1264 of Punished by His Love Novel

Chapter 1261

Suzi usually doesn't like Susan's mother very much, so her tone is a little impatient: "The only mother, I am a bit late for work today, what can you do..."

"The only mother, I know that since the last incident, you don't like a few of us very much, but I assure you with my personality that we really didn't make a fortune anymore, and the group we added did not. Exposing bags and showing off wealth, we are all discussing some of the experience of educating children."

Suzi: "..."

Susan's mother continued: "I didn't force her to join our small group because it was voluntary, but did you know what Susan said to me when she came back? She said that Gu Xiangyi's child was in school. It's a little bit unhappy."

"We...we actually want to communicate with Gu Xiangyi's mother. She is a single mother. It's true that we are both women. We just want to help her."

Seeing Susan's mother saying so sincerely, Suzi suddenly felt a little embarrassed.

"Sorry...I misunderstood you."

"It's all right." Susan's mother smiled: "The only mother, you are a good person, don't let me talk too much. I think Gu Xiangyi's mother's high cold is very different from your high cold at the time, she is The one who turned over recently has only been for more than a week. It seems that Gu Xiangyi has a good relationship with the only one who has turned over."

Suzi: "..."

Susan sighed: "I'm just reminding, you...Don't dislike me for talking too much, don't think about it, maybe there is nothing wrong, but multiple minds are not a bad thing, the only mother in the future You must be optimistic about the only one, you must be optimistic about it."

As expected, Susan's mother looked at her watch and said goodbye: "I...I also have a job now, I have to go now."

Suzi: "..."

Susan's mother's words reminded Suzi of what Rayna and Galia said to her the day before yesterday when they were in the mall.

Rayna and Galia have the same views of Gu Xiangyi's mother as Susan's mother.

"Madam, what's the matter with you?" Christopher said.

Suzi: "Christopher, do you know that people are afraid of famous pigs and strong?"

Christopher: "..."

Where and where is this?

“That wife, you are not famous or strong.” Christopher said.

Suzi: “Puff...”

After a pause, she said, “Let’s go, send me to work at the company. I’m late for work, and I can’t do this in the future. Otherwise, people will think I’m Darius’s cousin, and I’m the boss’s wife Galia’s best friend. Pampered and arrogant.”

“Good lady.” Christopher smiled.

Drove Suzi all the way to the company. When he got off the car, Suzi happened to see Lenny.

I haven’t seen Lenny for a week.

“Where is your uncle?” Suzi opened his mouth and asked.

“I... my uncle returned... back to Kyoto, my fourth aunt.” Lenny stammered.

Suzi: “Don’t go find Sister Shan! Why did he go back to Kyoto? See that Elma!”

Lenny immediately fought the injustice for his uncle: “Aunt Si, you really wronged me. My uncle only returned to Kyoto yesterday afternoon, and he was with you outside...Your grandfather went to Kyoto for medical treatment. “

Suzi was startled.

After a pause, she asked, “What happened to him...?”

Lenny sighed: “Think about it, a 90-year-old man who admitted wrong with his granddaughter didn’t say anything, and almost killed his granddaughter, and finally found his daughter. The daughter didn’t recognize him. This kind of shock, If it weren’t for Mr. Shu’s type of person who is used to seeing strong winds and waves, he would have long been unable to hold it.”

Suzi is indifferent: “This is the path he chose himself, isn’t it?”

“That’s true, so my uncle returned to Kyoto this time. It was a temporary interaction. The old man went to Kyoto to see a doctor. He was casual and his cousin who loved you the most.” Lenny said.

Speaking of Darius, Suzi immediately remembered the two lollipops that Gu Xiangyi had given to Shen with the words “Happy Grandpa Shu”.

And that high-cold woman who doesn’t know her name until now.

Suzi immediately asked Lenny: “Do you know that my cousin Darius...Is there any other relatives?”

Chapter 1262

Lenny said without hesitation: “I promise A Zhen has only two relatives, one is Rayna, and the other is Princess Suzi.”

“Poor mouth!” Suzi feigned!

“Auntie Si, I’m your boss, aren’t you going to work?” Lenny asked with a grin.

Suzi realized that she was late today.

She immediately entered the elevator, and the moment the elevator closed, Suzi confirmed again: “Are you sure, A Zhen has no other relatives?”

“It’s true!” Lenny said.

Suzi is relieved.

She thought to herself that it might be a coincidence, after all, there are many surnames Shu.

After thinking about it this way, Suzi didn’t take this matter into consideration anymore.

She was still conscientious when she went to work. After work, she still went to pick up Lilly from school. Because she was rushing for work these days, she wanted to make up for all the get off work she had previously delayed. Suzi sent her to the kindergarten early every day.

So that for a week, Suzi did not meet Gu Xiangyi’s mother in the kindergarten.

She also gradually forgot about this person.

Anyway, it has nothing to do with my life.

She is just a cold and straightforward woman.

A week passed in a flash.

This weekend, Galia suggested that everyone go out for a picnic. Lenny happened to be in Nancheng, and Lenny encouraged to respond.

Rayna also cheered.

However, Suzi looked at the two girlfriends apologetically.

“No way, or let’s change to next week. For these two weeks, my mother has been busy signing up for the elderly dance group. You know, my mother can

play the piano and draw two strokes, but she I really don't know how to dance.”

“However, my mother wants to join in the fun again. As soon as I am a little free in this movie, I will practice with my mother so as to raise her a little ambition.” Suzi said with a smile.

My mother has never thought of any blessings in this life. People are all at this age. If you want to enrich your life, Suzi agrees very much.

“Then we won't go this week. I live with Lenny at home.” Rayna said.

Galia also shrugged: “I won't go either, I will accompany my mother to knit a sweater at home.”

“Who knit a sweater for? Say! Is it Darius!”

“He thinks beautifully! I broke up with him, but he is like a brown candy!”

“You'd better not give it to him after weaving! Otherwise I will cut your head!”

Galia: “Huh! I'll take it out, how to drop it!”

“Haha...” Galia couldn't help but missed it when Rayna was scammed.

Suzi laughed aside.

The three girlfriends separated on the weekend and went home.

When Suzi picked up Lilly and returned home, Arron had not yet arrived.

It has been a week, and Arron went out early and returned late every day. The last time he left early and returned late, Arron had a lot of work to deal with before they went to Jiaying Island.

Moreover, the situation of Gasing Island has to be closely deployed, so he will leave early and return late every day.

There is no need to think about Suzi and know that this time it should be because of Pan Haoyang's affairs that he left early and returned late.

At night, the man is still busy in the study.

Seeing him smoking one cigar and one cigar, Suzi couldn't help holding a glass of milk to him.

The milk was placed on the man's table, and she raised her hand to help him massage his temples.

The man's head rested tiredly on the woman's body.

Suzi hadn't seen Arron ever like this, he was always calm and calm.

It seems that I have never worried about things.

"Is it difficult to find him? He hid so deeply?" Suzi asked cautiously.

The man didn't speak at first, but after a while, he slowly spoke, his voice was extremely low: "He has a self-destruct system installed on his body."

Suzi: "..."

I finally understood why Pan Haoyang harassed the old house of the Fu family so blatantly every time, and then went on a rampage anywhere in Nancheng.

It turned out that he really came to die.

Chapter 1263

His meaning is very clear. If you don't work hard to find him, he won't let you find him.

But once you put all your energy on finding him, and when you smash with him, he will activate his own self-destruct system.

That is, as long as you force him, he will immediately destroy himself.

"The self-destructing device on his body was purchased by him for several hundred million dollars in a place where the electronics industry and black technology of the generation in the Middle East were extremely developed."

Suzi couldn't help but breathed a sigh of relief: "What the hell does he want to do!"

Pan Haoyang in her impression was not like this.

The Pan Haoyang she knows is rational, has a bottom line, and is caring.

But now?

How much pain did he have to endure in his heart to make him do such a hysterical thing that hurts others and himself?

Suzi couldn't help feeling sorrow and sorrow in his heart.

"You..."

What are you going to do? She asked the man.

Man: "Don't pursue him any more..."

"Then he will continue to harass the old house..."

“That’s the retribution that the old house deserves!” Arron said coldly.

Suzi: “If...”

“If he dares to get close to you and the only one, that’s when he is wiped out. Everything else is easy to discuss.” Arron’s tone was flat.

The mother’s other son, he naturally knows how to feel distressed.

However, that stinky boy has obviously gone crazy!

If Pan Haoyang is willing to do his duty honestly, Arron will give him part of the shares of the Fu family and make this company the two brothers of them.

If Pan Haoyang really wants to break the boat, the fish is dead and the net is broken, then Arron can only start ruthlessly!

Suzi put his arm around his man’s head.

She knows that a man has his own ideas for everything, and she will have the right to support her man.

“Go to sleep,” she said gently.

“Yeah.”

This night, most of them were Suzi comforting men.

She knew that when the man made this decision, his heart was struggling very hard, the pain of giving up.

The feeling that blood is thicker than water.

He had few relatives.

“Go to sleep, husband, go to my mother’s house with me tomorrow to see how her dance practice is, and whether she joins the team, I really want my mother to integrate into a team, and then find myself a partner. Son, it’s the best.”

Suzi turned off the topic and said to Arron.

Arron nodded: “Well, I will have dinner at Mom’s tomorrow and let Mom make dumplings.”

“Okay!” Suzi said briskly with his head resting on the man’s arm.

Next day

A family of three went to the mother’s place together.

Mother’s small yard was originally very quiet, but they parked the car outside before entering the door, they heard laughter in the small yard.

Who will it be?

Suzi deliberately stopped and listened, but it turned out to be Darius.

“Auntie, I ate here at noon today, and eat the dumplings you made. The sauerkraut dumplings you made are better than those made by people from the Northeast. I can eat three bowls at a time.”

Alyce smiled very kindly: “I want to eat. Auntie Knife comes here every week, and Auntie will give you something to eat.”

“Good!” Darius said briskly: “Auntie, I will move these two pots of flowers to the gate, where they are most suitable.”

He spoke and came to the door.

“Brother Darius.” Suzi shouted: “You are not in Beijing to accompany...”

“I’m back, I came back yesterday.” Darius said: “Suzi, Brother Fu, the only one, you guys go in quickly, there are special products I brought back from Kyoto.”

The moment Suzi went in, he suddenly turned around and asked Darius: “Cousin, do you have any other relatives in your family?”

Chapter 1264

Darius held a pot of flowers and was startled.

Then he asked: “Suzi, why did you suddenly ask me about this, did you... have discovered something?”

Suzi’s heart also slammed.

However, she still shook her head: “No, I just saw you running to my mother’s side at the weekend, and I felt that you only have my mother’s relatives, haha.”

She smiled pretentiously.

Darius breathed a sigh of relief immediately, but he sighed helplessly: “When I mentioned this relative, my scalp numb.”

Suzi: “...”

After a pause, she asked calmly: “What’s wrong with Darius? You...do you really have other relatives?”

Darius sighed and smiled and said: “No! My relative, your mother still knows. This relative and my aunt were classmates in kindergarten when they were young. When she was an aunt, she kicked my little aunt out of Shu’s house.”

Suzi: "..."

Regarding the past, Suzi heard his mother cry.

When my mother was a child, she had a little friend who was playing very well, but when that little friend heard that her mother was a child of a third child, she severed all contact with her mother.

The mother was not allowed to enter the gate of Shu's house.

If Suzi remembers correctly, the little girl who broke up with his mother should have the last name Gu, Gu Jianing.

Last name Gu!

Gu Xiangyi is also s3xual, and Gu Xiangyi also has a grandfather named Shu who is a relative.

This... should not be a coincidence.

She looked at Darius, and Darius simply put down the flowers. He sat on the steps of the gate and said to Suzi: "Actually, Grandpa is not sick. He went to Beijing this time mainly to hide from this relative."

"Huh?" Suzi was shocked.

Darius still said helplessly: "This matter is mainly to blame grandpa, my cousin, the daughter of my grandma's maiden sister, grew up next to my grandma, because my grandma's daughter died, so grandma took me The aunt is the biological daughter."

"Naturally, my grandfather also loves this cousin very much."

"My cousin's name is Gu Jianing."

Suzi knows.

Therefore, she calmly Darius said Gu Jianing.

Gu Jianing's parents were both middle-level cadres at the time. Although the Gu family was much better than those from the average well-off family, compared with the Shu family, the Shu family was at the time the most prominent.

Therefore, Gu Jianing's parents and Shu's family are walking very tightly.

In addition, Gu Jianing's mother and Darius's grandmother have a very good relationship.

Therefore, this relative has been walking very close.

For a long time, Darius's father thought that Gu Jianing was his sister.

Therefore, Darius's father and Gu Jianing's cousins are also very close.

In this way, the Shu family helped Gu family everywhere.

Until 28 years ago, when Gu Jianing, who was already 24 years old, was going to study abroad, Mr. Shu tried every means to get this niece like her own daughter to study in the best foreign school.

However, Gu Jianing did not grasp the opportunity over there.

The first thing she did when she went abroad was to fall in love.

She was looking for a Chinese foreigner who originally thought that he could marry into a top-level Chinese wealthy family abroad, but never thought that the foreign Chinese was just playing with her.

Just play with her, her boyfriend even brought her to a guest to play with.

The worst thing is that Gu Jianing is pregnant.

She doesn't know whose child she is pregnant.
