

Chapter 743 – 744 of Punished by His Love Novel

Chapter 743

However, the man in front of him treats his wife as gentle as the wind in spring, like the bath water that is not higher than forty degrees.

For a moment, when Xu Haili even forgot that she was in a life and death situation, she was only thinking that she and her husband Zhang Song had been married for seven or eight years, and her husband had never treated her like this.

The good man in front of him is really enviable.

Whoever marries such a man is really soaked in a honey pot.

Not only Xu Haili was stunned, but the crowd behind her were also stunned.

After witnessing the words and deeds of Arron and his daughter, they confirmed one thing, that is, Arron, the current head of the Nancheng Fu Group, he is really terrified.

There is no false transmission on the Internet.

At this time, Arron had arrived in front of Suzi, with one arm around Suzi: “What? Are you afraid to eat with so many people? The eldest princess of our family has always been calm and humiliated?”

Suzi smiled and nodded: “I can eat, let’s go husband, let’s go in for dinner.”

“Hey, please...” Xu Haili, who was sitting on the ground, yelled beggingly. She expected Ai Ai to look in sharp contrast with just now.

Arron looked back at Xu Haili and then at Zhang Song: “Mr. Zhang, your wife?”

Zhang Song: “...”

This D*mn b!tch!

He is a dignified college student who originally had a great future. At his speed of promotion, he might be promoted to Kyoto one day!

It’s all right now, it’s all in the hands of this stinky lady! Zhang Song came to Xu Haili with a furious expression, and kicked Xu Haili’s stomach fiercely: “You damned woman!”

“Aw...” Xu Haili almost passed out in pain.

“Mr. Zhang...” Christopher yelled behind him: “It must be wrong to beat people in this large court. Besides, this lady is also your wife. As a husband, how can you beat your wife like this? You have to learn from our Fourth Master Fu, you see, how much do we know how to care for Madam Fu?”

Zhang Song: “No...that, Assistant Yan...”

Christopher sneered: “Since it’s your wife, let’s come in for dinner together. Our meal was originally a light meal, so why are you so particular about it? You say yes?”

Zhang Song: "..."

He wants to escape!

You want to leave this troubled girl here alone, and then run away without a trace with her son!

However, he has no chance.

He had to obediently scoop up his wife, and then walked back into the private room again. At this time, Xu Haili was already limp like a prisoner rushing to the execution ground.

Coming to the private room, Arron, Suzi, and the only three of Shen's family sat down first. The others didn't dare to say anything, and they warmed up: "Everyone is casual. Very friendly person."

None of the people present were fools. They didn't offend Arron. At this moment, let's take a good meal with the family of three.

Only Xu Haili, she sat slumped at Suzi's feet, afraid to speak or cry. It was embarrassing to the point that there was a crack in the ground wishing to get in, like a pug.

At this time, someone suddenly broke in outside the private room.

After that, a very coercive voice broke through the door: "Who! Who dares to bully our family Lili, don't you want to live anymore!"

Chapter 744

As soon as the sound fell, two people broke into the room.

One man and one woman, dressed very expensive.

They are all in their fifties.

When Suzi saw the man and the woman, his face was immediately filled with anger and contempt.

That's right!

Those who broke in were Xu Haili's parents, Xu Yudong and Liao Fanzhi.

Xu Yudong has not retired yet, but his position is no longer as important as before. He is now engaged in logistics, but even so, his connections and influence in Xiaocheng are unmatched. Xu Yudong is not only in Xiaocheng. He can cover the sky with one hand, even in the city, in the provincial capital, he can talk.

If not, how could Xu Yudong's daughter have had three or four fetuses at a young age and barely graduated from junior high school, but could get the best position? And being able to marry college graduates can have such a noble status?

Just kidding!

When he Xu Yudong is a vegetarian!

It can be said that no one dares to touch him Xu Yudong in this small town shit on foot!

But just half an hour ago, his daughter's classmate, the high school teacher, sent a picture to Xu Yudong. In the picture, his daughter Xu Haili was kneeling consciously.

The high school teacher used to look so proud and proud that he never bought Xu Haili's account, but he was used several times by Xu Haili's wrists,

and he did not obediently become a dark prostitute for Xu Haili. Now this is a high school. Teacher, in private is the prostitution of many men's playthings, a dog beside her daughter.

Not even a dog.

This high school teacher is very loyal to her daughter, so Xu Yudong and his wife are convinced of the pictures she sent.

And the high school teacher also said to Xu Yudong: "Uncle Xu, Xu Haili's mobile phone was taken away. This is a group of barbarians from outside. You don't know Haili's background at all. You can save Haili soon. Otherwise, Haili might be taken to another place by this group of people..."

When Xu Yudong and his wife saw it, they became angry.

They didn't stop, and immediately ran over with their carts.

When I came to this hotel, I saw the high school teacher and a waiter in the hotel waiting for him. The waiter said graciously: "Uncle Xu, they are in that box. You can go in by yourself."

If the language was necessary, the waiter returned automatically.

Xu Yudong and Liao Fanzhi and his wife broke in.

The couple didn't take a close look at the faces of the people present because they felt sorry for their daughter.

They are also careless.

Because it was all familiar with a glance, Xu Yudong ignored it.

He just roared: "Are you all vegetarian? Just watched Haili being bullied?"

After this sentence, Xu Yudong saw his daughter kneeling, and he was a little familiar.

Where did this woman seem to have met?

“Don’t be unharmed, Xu’s father and Xu’s mother.” When Xu Yudong was searching in his mind, Suzi had already got up to say hello to Xu Yudong and Liao Fanzhi.

Her tone was very plain.

Xu Yudong patted his forehead and remembered it!

It’s her!

Xu Yudong scolded angrily: “Suzi!”

Suzi nodded: “I am Suzi.”

“You! Little b!tch! b!tch! I heard my daughter say that you dropped out of school at a young age, and started to be a b!tch when you were a teenager in the South. Can you still count the number of times you sold it for so many years? You made money? Do you think you are powerful? Little b!tch! I told me that in our small county, in our eyes, you will always be a b!tch! A b!tch! You actually bullied my daughter. Got it! You are tired of life and crooked you!”

Xu Yudong usually doesn’t talk like that.

In the end, he is also a person with a face, but at this moment, seeing his daughter kneeling like a dog, he feels distressed, and angrily has long since died of reason.

It is so easy for a person who has lost his mind to make mistakes.

Chapter 745

Xu Yudong sneered at Suzi with a ferocious face: “Little b!tch! Don’t say that you have been out for so many years and saved some money on selling, and you will push your nose and think that you have turned over! Let me tell you! Lili’s classmate is a high school. Teacher, that was a graduate of a prestigious university, and came back to teach here because she was deserted and ignored our family Lili!

Did you ask her if she got a good ending? !

She is just like you now, a prostitute!

It’s still dark!

We Lili told her to lick someone, she dare not refuse!

More obedient than a dog!

You!

You dare to bully our family Lili here.

You see, I won’t take your skin today, or twitch your muscles! “

Say yes, Xu Yudong rushed forward and wanted to fight Suzi.

However, he didn’t even move a step, and was tripped by his son-in-law.

Xu Yu suddenly knocked a dog to eat shit.

Liao Fanzhi behind him: “...”

When Xu Yudong scolded someone, Liao Fanzhi had already carefully looked at the people present.

Liao Fanzhi discovered that all of the attendants present were very good-looking.

Either one of them is better than Xu Yudong. Otherwise, how can Xu Yudong not participate in this dinner?

To put it bluntly, Xu Yudong is outdated and relegated to the second line.

And here, those who watched Xu Haili lying on the ground like a dog but didn't respond at all, all of them were people calling for the wind and rain. Liao Fanzhi was already stupid.

And his husband's knocked teeth were knocked loose, Xu Yudong became more and more angry, he immediately got up, and suddenly slapped the table: "Instead of you..."

Before he finished speaking, Liao Fanzhi covered his mouth. .

"Stop talking!" Liao Fanzhi said.

On the ground, Xu Haili, who was still kneeling there, also yelled Xu Yudong expectantly: "Dad, are you trying to kill me?"

Xu Yudong: "..."

Until this moment, he really took a closer look at the people present.

These people are all stellar, but all of them are silent. The eyes of these people look at Suzi are all respectful.

None of these people would say a word for her daughter, even his son-in-law dare not say a word for his wife.

Looking at the man sitting in the middle, Xu Yudong didn't know who the man was, but Xu Yudong knew that this must be a problem.

"This...is it a misunderstanding?" Xu Yudong immediately calmed down.

He begged and looked at Arron in the middle: "This leader...that...you may have misunderstood my daughter. It must be Suzi, a woman telling things. Suzi lived in my house when she was a child. In just one week, her heart has changed. She has become vain and vain, she has even dropped out of school, she still...she still steals..."

"Surnamed Xu! Can you close your stinky mouth!" Zhang Song, the son-in-law next to him, wanted to kick Xu Yudong to death.

The scolded Suzi was very calm: "Xu Yudong, for so many years, not only did your family not apologize to me at all, but do you still turn black and white? Even you have admitted that you are forced to be a prostitute from your daughter. Is there anything better for you? Explain?"

Xu Yudong: "..."

He ignored Suzi and looked at Arron with a sly eye, and he could tell at a glance who was there to speak.

"This leader..."

Arron calmly said: "I am not a leader, my wife is a leader, and I belong to my wife."

After speaking, he pointed to Suzi: "This is my wife, the legal wife."

Chapter 746

“Your wife?” Xu Yudong blurted out.

Liao Fanzhi was frightened. She pointed to Suzi, “She... how could she be your wife? She is a poor beggar. She has lived in our house since she was a child. She has a head of lice and wears exposed shoes. I washed her hair and dressed her beautifully. She actually stole our house...”

“You are spitting blood! Your whole family can’t die!” At this moment, a sharp and miserable voice suddenly came from outside the box.

Everyone looked outside.

Standing outside is the high school teacher.

“You...” At this moment, Xu Haili, who was kneeling and crawling, turned and looked at the door: “Hu Xiaomeng, how dare you step on me at this time?”

Hu Xiaomeng sneered fiercely: “Bah! Xu Haili, I wish I could swallow you alive! My biggest wish in this life is to die for Xu Haili’s family!”

Xu Haili: “...”

Hu Xiaomeng suddenly changed into tears: “Xu Yudong, Liao Fanzhi, do you know why I sent you this picture? Do you know how I knew your daughter was kneeling here?”

She turned around and pulled the waitress next to her: “This is my cousin! My cousin told me that my chance for revenge is here. She sent me the picture, and I forwarded it to your couple. Yes, I just want to I will irritate you and let you bring it to the door yourself! I just want you to know that I am not capable of resisting, but some people will clean up you, and some will walk the way for the sky!”

As long as the words were necessary, Hu Xiaomeng looked at Suzi and Arron.

“Ms. Fu, Miss Shen.” Hu Xiaomeng shed tears: “I’ve seen your official blog on the Internet. Fu is always a good man. Miss Shen really envied you for finding this good home. I often do things when you were twelve years old. Listen to Xu Haili.

Obviously you are lucky, but I am not so lucky.

I was at the same table with Xu Haili in junior high school.

She always has to copy my homework, I don’t give it to her, she has a grudge.

She stopped studying until she finished junior high school.

I was admitted to the high school and then to the Normal University, and when I saw the bustling world outside, I wanted to come back to benefit my hometown and teach and educate people.

I teach in our best high school.

Unfortunately, I was found by Xu Haili again.

She lied to me to tell me about the old days and asked me to come out to eat together. As a result, I was put to sleep.

She also took a lot of indecent photos of me. From then on, as long as she has a human relationship to cling to, she will use me to contribute to those people.

I know I am a senior teacher, but in fact, I am a lowly prostitute who can no longer be lowly.

She has an indecent picture of me, I dare not tell me and I have no ability to take revenge.

I know I shouldn't pin my hopes on you.

I just want you to know about this, the Xu family and the whole family are all people who should be cramped! “

After speaking, Hu Xiaomeng cried silently.

Her cousin next to her has been soothing her.

At this time, Suzi walked over with a sad expression on her face, and she patted Hu Xiaomeng on the shoulder: “Don't cry, you have to be strong, it's not your fault, she will definitely not bully you again in the future, you In the future, he will still be a senior teacher respected by everyone.”

Sure enough, Suzi also took the initiative to hug Hu Xiaomeng.

“Thank you, Miss Shen.” Hu Xiaomeng said sincerely.

Suzi: “Live well!”

“Hmm!”

Suzi led Hu Xiaomeng over and sat in the VIP table before looking at Xu Yudong and Liao Fanzhi again.

“Daddy Xu and Mother Xu.” Suzi still used the address he used to Xu Yudong and Liao Fanzhi when he was twelve: “When I was very young, I didn't understand why I went to your house for the first time, so I succumbed to Xu's mother. Slap.

At that time, I thought to myself, I was a rural child, although the clothes I wore were very old and my shoes were worn out, but I was very clean. There was no bad smell on my head and my clothes were clean. But why does Xu's mother dislike me?

Later, when I grew up, I understood that it turned out that Mother Xu beat me because I was too clean and because I had no lice on my head, because I was not as bad as a rural child she imagined.

Also, the time you kicked me, the time that you kicked my three ribs off..."

Chapter 747

"Please don't say it..." Xu Yudong looked at Suzi with begging eyes. He was afraid that after Suzi said these words, the man beside Suzi would suddenly kick his three ribs off.

Suzi looked at Xu Yudong: "Stop talking? Dad Xu, are you running away? Do you think that kicking my three ribs off with a kick is not worth mentioning?"

Xu Yudong: "..."

"Yes!" In fact, I don't think it is worth mentioning.

Suzi shrugged and smiled lightly for a while.

Her remarks stunned everyone present.

"At that time I was only twelve years old, still very young, and unable to resist. Later, I grew up slowly. I chose to forget the events of the same year, especially when I was hurt. Just ask, the kid Willing to meet that I have been

kicked off three ribs, had someone's hair cut, and someone wiped shit on his head? I don't want to remember those unbearable humiliations.

I don't want to.

I never even thought about coming back to seek revenge from you.

No need, not worth it.

When I came back this time, my intention was to pick up my father's ashes. I was planning to go back, so I just came down to have a meal.

Just have a meal!

But Mom and Dad Xu, your daughter caught me in the lobby. It was such a big lobby with so many people watching. There should be surveillance, right?

Look for yourself, how your daughter scolded me.

That kind of incomparableness is exactly the same as when I was twelve years old, when she forgot to wipe her shit on her head, it hasn't changed at all.

When I was young, I could treat her as ignorant, but now?

And you, when you were a kid, when you hit me, I thought you were educating me, but now?

Dad Xu, until now you are still calling me a little bltch, saying that I am a thief, then you are not educating me, or you really want to kill me. Because you can't see that I am better than your daughter!

And this high school teacher, she is more miserable than me, just because she was admitted to the university and became a senior teacher on her own basis, do you become mad from jealousy? “

Xu Yudong + Liao Fanzhi + Xu Haili: “...”

“Since it’s been more than ten years, you didn’t plan to let me go, so today I...my own affairs, I will make the decision by myself.” Suzi said lightly.

Say yes, she looked at Arron.

Arron nodded.

Suzi is the master, which is tantamount to giving hope to the Xu family of three. The three people kowtow to Suzi.

Suzi suddenly ordered: “Strict help!”

“Yes, ma’am!”

“Take the only one out and buy her a fruit candy to eat. The one and only one, mother has to deal with something here.” Suzi said solemnly.

“Yes, ma’am!”

“I know mom.”

Christopher led Lilly and left.

Suzi looked at Xu Haili again: “Ms. Xu, you keep scolding me for selling, so have you seen it with your own eyes?”

Xu Haili: “Shen...Miss Shen, you forgive me because you wore my skirt when you were a child? I’m dead, I didn’t see it, I’m an error, I didn’t see it.”

“I didn’t see it?” Suzi asked back: “Then the eyeballs don’t work?”

“Yes, yes, I’m blind, I don’t know Taishan, I...” Xu Haili knocked her head like garlic.

Suzi said lightly: “Since the eyeballs don’t work, then dig out the eyeballs!”

Chapter 748

As soon as Suzi said this, the audience was silent.

Finally understood why she took her daughter out to buy fruit candy.

Xu Haili was paralyzed on the ground in fright, and suddenly urinated.

A strange smell hits instantly.

Suzi squeezed his nose: “Husband, I am allergic to the nasal cavity...”

Arron got up and said to the people who were seated again: “It’s all gone.”

Then, taking Suzi to leave the table, while walking, he asked Suzi to Wen Sheng: “Are you hungry? What do you want to eat, let the waiter deliver it directly.”

Suzi said, “I’m hungry, my husband.”

Behind him, Xu Haili suddenly screamed: “Suzi, are you too vicious?”

Suzi, who was smiling sweetly, turned around and sneered: “Vicious? Compared to your hatred of me for more than ten years, compared to your accusation that I am a thief, compared to you rubbing shit on my head, compared to your father’s kick Kick off my three ribs and let your classmates,

a pure senior teacher, become a tool for you to gain power and become a man's plaything. I can sigh that it is not as good as death.

Besides, no matter how vicious I am, I haven't come to you for revenge.

You are rushing to find me revenge!

Since ancient times, you have become a king and defeated a bandit. If you didn't expect that you would have such a consequence, why are you looking for my revenge?

Could it be that you are only allowed to have the upper hand for the rest of your life, and if you persecute others, you are vicious if you are replaced by others persecuting you? “

Xu Haili: “...”

After a second: “You didn't really dug out my eyeballs, did you?”

“No.”

Xu Haili immediately breathed a sigh of relief: “Thank you for your hand...”
“You dig it yourself! Didn't I dig your eyeballs to get blood on your hand? I think you are dirty.” Suzi said.

Xu Haili: “...”

Suzi turned his head and glanced at Zhang Song. Zhang Song immediately said: “Mr. Fu, Mrs. Fu, don't worry, I will divorce Xu Haili when I look back. I will let my son never recognize this again. Mother, I will not let my son have such a vicious mother. As for her eyeballs, I will be responsible for supervising her.

Guarantee your satisfaction! “

Suzi smiled: "I don't care, you just need to be satisfied."

Zhang Song: "I understand!"

Although he is not a good thing. In order to climb up, he used any method, but he was a high-achieving student. When he married Xu Haili, he was forced to press his head without drinking water. To be honest, he was a clean place.

Male, he didn't even know that Xu Haili had already beaten three or four times in junior high school.

Moreover, in the five or six years of marriage, he has no status at all in the family.

She refused to let the child's surname be Zhang, but Xu.

The child is three years old, but he doesn't know his grandparents.

Zhang Song's hatred for Xu Haili didn't break out. Once it broke out, Zhang Song hated to kill Xu Haili in an instant. He even had the urge to go and dig out Xu Haili's eyeballs himself.

Watching Suzi and Arron walk out of the box, Zhang Song was still shouting: "I will do it perfectly. I hate Xu Haili's family no less than Hu Xiaomeng. I will count Hu Xiaomeng's hatred against Xu Haili and help Hu Xiaomeng get revenge. !"

Suzi didn't look back.

What does a husband do to his wife, to what extent can he hate her, and what does it matter to her as an outsider?

She only came outside the box, crying silently before Hu Xiaomeng, and comforted: "Life is not satisfactory. Like me, I was kicked off my ribs when I was twelve years old. My parents and I were often criticized. His life has

always been turbulent, so after the wind and rain, it will be a rainbow. For your students and your parents, be strong.”

Hu Xiaomeng nodded desperately: “I will definitely live a good life in the future.”

“Bless you!” Suzi said.

“I also wish you all the best, and I wish your family of three a lifetime of peace
